

Select Board & Board of Assessors Workshop - Agenda
February 8, 2024, 6PM
Fire Station Community Room, 86 River Rd

The Select Board is holding a workshop for Newcastle and nearby residents to discuss Newcastle's Village Partnership Initiative to collect ideas, questions, and information for the pre-engineering services firm, Wright-Pierce. The public is encouraged to bring items they wish to be addressed by pre-engineering services for the identified area: River Rd and Route 1 North off-ramp, Mills Rd, Academy Hill, and Main St intersection, and part of the way down Mills Rd.

1. Call to Order

2. Village Partnership Initiative

A. Background Information:

What is the Village Partnership Initiative?

Why did the Town decide to apply?

B. Potential Schedule and Timeline

C. Collect Questions and Comments from the Select Board and attendees to share with the consultants.
